

CAC Fayette County - Technical Assistance

Community Action Commission of Fayette County

Community Action Commission (CAC) of Fayette County asked RLS to help determine the feasibility and planning for the development of at least one additional route for seniors and person with a disability on the Fayette County Transportation system. RLS will assist with the development of the needs assessment survey, facilitate meetings, and provide GIS and trip trend maps. RLS also helped the CAC with updating Fayette County's Coordination Plan as well as provided technical assistance as needed.
