

OTAP Rural Transit Manual

Ohio Department of Transportation

RLS assisted ODOT staff with the update of the current Rural Transit Manual (RTM). Because of the detailed scope of this project, the manual was updated in two phases. In Phase II, RLS continued to refine the Table of Contents; Update the current Rural Transit Manual; Identify and obtain additional relevant resources; monthly review meetings. RLS incorporated all comments from previous review sessions and provided ODOT with a complete, updated Rural Transit Manual via electronic files in appropriate formats.
